

### **Kewaunee County Fairs**

Many Denmark FFA members exhibited at the Kewaunee County Fair July 19 - 22 in Luxemburg. Members exhibited everything from poultry to dairy to beef to swine. Exhibiting at the fair allows members to increase their knowledge of the proper care of their animals under new situations and allows them to expand their Supervised Agricultural Experience projects. Members exhibiting under Denmark FFA were Breezy Seidl, Emily Kroll and Brooke Bergelin. Many other Denmark FFA members participated in the fair where they exhibited under 4-H.

### **Brown County Fair**

Several members also exhibited animals at the Brown County Fair August 15 - 19. These members exhibited and sold beef steers and poultry. Congratulations on all your hard work this year! This year Lakin Derricks, Aubrey Thielke and Zoe Kane exhibited Beef under the Denmark FFA. Many other Denmark FFA members participated in the fair where they exhibited under 4-H, Taylor Langhoff, Nicholas Langhoff, and Zachary Langhoff.
