

2009 FFA Floriculture Career Development Event

Team Activity

Activity Situation:

When you work in a Flower Shop, you deal with a wide range of customer orders. Within a short period you may work on a wedding, then a funeral, or perhaps a baby arrangement.

Today, you will be given 45 minutes to complete the following items.

- 1 Cascading wedding bouquet
- 1 Boutonniere to match the bouquet
- 1 Vase that can be taken to the cemetery
- 1 Vase arrangement of one (1) dozen carnations
- 1 Floral birthday cake
- 1 Funeral basket
- 1 Bud vase style arrangement in a baby bottle

After you have completed this order you are to clean your work station and take the completed items to the delivery area. All unused product is to be taken to the stock area.

During this event, you will be given a 15, 5 and 1 minute warning.
