

SECTION 9 LEADERSHIP WORKSHOP by Joe Schlies

On October 4, the Denmark FFA hosted the Section 9 Leadership Workshop where over 250 FFA members in Northeast Wisconsin attended. The Denmark FFA Alumni donated and helped with all the meals that took place that night which ranged from serving, preparing, and grilling food. FFA officers and members learned about the new programs that are in the FFA this year as well as collaborating with other chapters to exchange ideas. In addition, FFA members set personal and chapter goals for the year in effort to motivate themselves and chapter members. The Denmark FFA would like to thank the FFA Alumni for all of their hard work with all the meals they served at the Sectional Leadership Workshop.
