

WASHINGTON LEADERSHIP CONFERENCE by Lashawna Vogel

This summer, four high school FFA Members attended the Washington Leadership Conference (WLC) held in Washington, DC each year. Autumn Kaminski and Lashawna Vogel attended week three of WLC, held June 19 through June 24. Bayley Melnarik and Abbey Wanek attended week six of WLC, held July 17 through July 21. FFA members in attendance went on tours of monuments, the US Capital, the Library of Congress, the National Archives, the Newseum and Smithsonian Museums. The FFA members did not only get to tour our nation's capital, they also were able to create a Living to Serve plan to help better our community, package food for Meals of Hope, and were able to continue to develop necessary leadership skills.
