

Greetings FFA Alumni Members,

It's time to update our Alumni roster to be sure our communications are reaching you as members. We ask that you take a moment to be sure we have your most current contact information. Also, if you or someone you know (family member, neighbor, or friend) has had a name or address change, please be sure to provide an update. To help keep our mailing costs down, please provide email addresses for future communications if at all possible. We understand if you do not have an email and wish to continue to receive one by postal mail.

***Please provide updated information for each member of your household who is a registered Alumni member***
