

"I'm Dennis Schultz. I am a lifelong resident of the Denmark area. My wife, Karen, and I have been married for 27 years. We have four children: Courtney, Justin, Derek, and Connor. My wife, Karen, and I own and operate a fleet of 20 semi-trucks located in Green Bay. Agricultural transport makes up about 75% of what we haul.

I like to spend time with family and friends and I enjoy their constant entertainment. The outdoors, a good cup of coffee, country music, and an occasional ride to the U.P. are always enjoyed. I look forward to each day and the challenges that come with it.

I have seen firsthand the positive impact FFA has had on my kids. FFA gives students the opportunity to grow and thrive through activities, experiences, and the many leadership positions it has to offer. I appreciate the opportunity to help the FFA continue to be a strong educational and growing experience for years to come."
