

“My name is Matt Wavrunek, son of Jim and Josy Wavrunek. FFA was a big part of my life while attending Denmark High School. I had the opportunity to show animals, attend conventions, be the chapter President, and earn my American Degree.

For the last ten years, I have worked in the insurance industry and enjoy giving people a peace of mind. I currently work at Associates Insurance Agency in Denmark.

I am excited to be given the opportunity to serve on the Alumni Board. I feel it's important as alumni members to support the next generation of FFA members by sharing our experiences and connections along with helping them financially to get the full FFA experience. In the next three years, I am excited to engage with the community, meet more alumni members, and encourage others to participate in this future-minded organization.

I am proud to give back to the organization that has done so much for me.”
